Celebrating 35 years of service to children & families.

**Save the date to celebrate our 35th year serving children and their families in our West County communities.**  
**Wednesday November 9, 2011**  
**6 to 8 PM**  
**Food, Friends and a surprise or two. Join us!!**

Sometimes we know “in our gut” that a family child care program is good. With the use of the Family Child Care Environmental Rating Scale tool, we can *prove* that a program is good. FCCERS is used in many programs in the United States and around the world for program assessment. The Rating Scale emphasizes positive relationships, health and safety, and a stimulating learning environment. The Scale has a complete training program and includes a thorough assessment of the environment, including furniture and equipment, educational materials, and educator skill and behavior. The FCCERS is designed to assess family child care programs conducted in a provider’s home for children from infancy through school-age.

Any provider in our Network must pass with an average score of 5 or better and once a provider is evaluated, the Child Development staff work with them on an improvement plan. This might include getting better materials, attending workshops, or getting mulch donated for playground safety as we did this year! I am so pleased that the average scores have improved since last year.

The seven categories that are reviewed are:

And our average scores among 33 providers are:

		Last year:
• Space and Furnishings	6.04	5.30
• Personal Care Routines	5.95	4.07
• Listening and Talking	6.57	6.35
• Activities	6.02	5.18
• Interaction	6.71	6.63
• Program Structure	6.72	6.84
• Parents and Provider	5.96	6.02

*Parents can be assured that leaving a child at one of our Network providers means that child will have a quality experience and be in a developmentally appropriate environment. Congratulations to all of the providers who worked so hard this year to improve their scores. Keep up the good work!*

**Mission Statement: Our mission is to nurture the healthy development of children and parents in our community. We offer resources, referrals and support to families and child care providers in western Sonoma County.**

**ALGUNOS PUNTOS DE NUESTRA POLIZA DE REFERENCIAS**

La poliza de referencias de RIVER TO COAST CHILDREN'S SERVICES respeta la preferencia de los padres. La responsabilidad de escoger el cuidado de niños es de los padres. Asistimos a los padres a encontrar la variedad más amplia de cuidado de niños que se ofrece y ofrecemos información para evaluar el cuidado de niños. Una recomendación de RCCS no significa una garantía de calidad. Les pedimos a los padres que hagan una entrevista cuidadosa y que examinen las recomendaciones antes de que dejen un niño al cuidado de otra persona.

Padres que están buscando información acerca de quejas previas de una casa o centro con licencia para cuidar niños, pueden llamar a Community Care Licensing tel. 588-5026.

**OUR REFERRAL POLICY**

RIVER TO COAST CHILDREN'S SERVICES' referral policy is based on respecting parental choice. Responsibility for selecting child care rests with each parent. RCCS assists parents in finding the widest range of available child care and offers information to help families evaluate available child care options. A RIVER TO COAST CHILDREN'S SERVICES' referral is not a recommendation or a guarantee of quality care. Parents should carefully interview and check references of potential child care providers before leaving a child in their care.

For Information on all licensed family child care homes and centers call Community Care Licensing at 707.588.5026
